Robert Lee Distribution Ltd

Robert Lee Distribution Ltd is arguably one of the UK's largest independent distributors of bathrooms, showers and plumbing products, supplying retailers and merchants. We have over 70 branded suppliers and 27,000 different product lines, with a purpose built 95,000 sq Ft head office in Waltham Abbey and branches at Swindon and Tamworth, we supply 99% of our customers on a next working day delivery. Ordering is easy, a team of over 20 experienced staff are waiting to take your call, and all orders received by 5pm will be delivered next working day.

Well that's the facts and figures bit done, so what exactly are we doing in 2009:

There will be a new interactive website, with individual login, where customers with accounts will be able to check real time stock and pricing, manage their account and place orders 24/7.

Our product range is constantly being reviewed and updated to include new and exciting ranges, and this year we are pleased to have agreed a new partnership with Jacuzzi, as well as the Steinberg brassware collection.

We are continuing with our successful, quarterly special offers publication, available to all customers, detailing, as well as great deals, new products & display offers.

There is so much more to say but we have run out of space so why not put us to the test, and give us a call. After all its free, and we would welcome the opportunity to surpass your expectations.
